

## Hoover High School

---

4474 El Cajon Boulevard, San Diego, CA 92115

Built in 1938  
Site Acreage: 24.9 acres  
2163 Students

Guiding principles were established by the Board of Education's Ad Hoc Task Force on the Bond to assist in developing educational facilities that:

- are the heart and soul of the community
- have parity of the physical facilities and structures
- improve student learning and achievement
- improve accountability

### Site-Specific Bond Project List

The following needs were identified through a comprehensive planning process, which included input from school site representatives to cluster meetings, district departments and other assessment measures.

The language below will be included in the bond resolution:

#### Project Improvements to Support Student Learning and Instruction

- **Retrofit/build spaces to provide new and updated career technical learning environments for the Building Trades and Construction Program and other supporting educational spaces**
- **New/upgraded spaces to support academy programs and curriculum**
- **Provide 21<sup>st</sup> century technology upgrades, including audiovisual projection capabilities for all students**
- **Provide a wireless network (WIFI)**

#### School Improvements to Support Student Health, Safety and Security

- **Replace obsolete fire alarm and emergency communications system**
- **Renovate food service area, including cafeteria, and add food kiosks to increase service efficiency and provide healthier food choices**
- **Install security lighting, as well as increase vandalism and intrusion safeguards, including modifications to fencing and gates, to secure site**
- **Remove or minimize risks of any potentially hazardous material**
- **Retrofit/install a heating, ventilation, and air-conditioning system in educational spaces that do not already have air-conditioning**
- **Improve student drop-off and pick-up area**

#### Projects to Improve School Accessibility, Code Compliance Upgrades

- **Renovate existing restrooms and locker rooms**
- **Renovate gymnasium building to meet accessibility regulations**
- **Provide accessible, compliant wrestling room**
- **Improve accessibility to all classrooms, labs, restrooms, and other school facilities to comply with accessibility regulations, including ADA Titles I & II**
- **Install three-compartment sink and hand sink in kitchen**
- **Renovate/replace stadium bleachers, including press box**
- **Upgrade fields, track, and courts for accessibility compliance**
- **Build new two-story classroom building to replace old portable classrooms**
- **Provide accessible restrooms with storage for athletic equipment**

#### Major Building Systems Repair/Replacement

- **Replace leaking walkway canopies, sidewalks and concrete areas**
- **Repair/upgrade building interiors, exteriors, finishes and fixtures as needed**
- **Repair/replace outdated heating and ventilation systems where needed**
- **Replace aging wiring and upgrade electrical systems including theatre lightings and sound system**
- **Repair damaged walls, stairways, and ramps as needed**
- **Replace deteriorating sewer and plumbing systems as necessary**
- **Renovate/upgrade the auditorium building including new stage rigging**
